

Homestead Development Association

Offers Unprecedented Opportunities to Colored People

There is developing in the United States the greatest agrarian movement in the history of the world, which doubtless will mean the most comprehensive combination in existence. This combination will control the markets of all food stuffs and will have far-reaching effect on traffic therein.

There is a strong tendency toward cutting up large holdings into small tracts. The urgent necessity for this is evident from the fact that just at this time, in the aftermath of the world's most cruel war, thousands of immigrants are flocking to our shores, seeking freedom and independence. Already a strong effort is being made to divert a large percentage of these people to vacant land in Michigan, Minnesota and Missouri—a sensible and timely movement.

The Great Creator has made the soil of Michigan especially adaptable to the growing of fruits and vegetables for canning and pickling; and these crops produce more dollars and cents per acre than any other farm crops. In this section, the number of canning factories are fast increasing, but the demand for these products outstrips the increase in supply. By right of resources, location and environment, Michigan's manifest destiny is to be the leading state of small homes.

A movement begun four years ago by the HOMESTEAD DEVELOPMENT ASSOCIATION of Homestead, Benzie County, Michigan, is commanding the attention of Negroes all over the country, and it is being conceded that it offers to the Negro the greatest opportunity to own where conditions are best and where schools, churches, good roads and transportation facilities offer tremendous advantages.

Farms may be purchased from the Association at prices and on terms within reach of any industrious and home-loving person. But, it is true that land values are rising, and the prices of yesterday are being altered to meet the increasing demands of today. The acres of virgin land diminish, naturally, with the approach and close of each season.

With the ever increasing flow of humanity from the South our race faces a grave problem which bids fair to eclipse anything of its kind in the past! The question is, how can the southern colored man be best situated for absorption in the North? How can he be guided so that his opportunities for education shall be increased? The answer is CO-OPERATION!

With headquarters in Chicago and a Branch Office at 1314 N. 5th St., Kansas City, Kansas, the Homestead Development Association will assist all who desire land for homes or for investment purposes, in Michigan. Write the Association for full information, using the attached blank, or ring Bell Phone Fairfax 5315.

THE SUPREME ROYAL CIRCLE OF FRIENDS OF THE WORLD

Comes to Kansas City, Kansas—Mr. and Mrs. C. B. Burton Doing Great Work.

The Supreme Royal Circle of Friends of the World, a Fraternal (Insurance) Organization has started with a rush in Kansas, and in a few weeks expects to equal the record made on the Missouri side, where over 1100 members have been made in two months.

Mr. and Mrs. C. B. Burton of 2612 North 5th street have organized a Local Circle to date, and expect to have not less than 100 members by the first of the Month.

The Royal Circle believes in giving its members the benefits of a Fraternity, while they are living, as well as caring for them in death. The joining fee for the Campaign which is now running is \$2.50. A member pays into the order \$1.25 per month and NO TAXES for which they receive when sick \$7.00 per week. For accident \$7.00 per week, \$150.00 at death is paid to the Beneficiary, and a monument is placed at the grave of the deceased member worth \$100.00. In doing this the Royal Circle gives its members the benefits, while they are living, and when they need them.

For information regarding the Order, see Mrs. Burton, or call her over the phone, Bell 5154 3495W, and she will gladly explain the advantages of being a member of the Royal Circle.

The Royal Circle has over 100,000 members in the United States and is operating in all States and the District of Columbia.

Mr. A. L. Richmond, Supreme Supervisor of the Missouri and Kansas Jurisdictions, has opened an office at 1834 Paseo, Kansas City, Mo., and any one wishing information or who would like a Commission to work up a Local Circle, can see him at the Office of the Royal Circle or call him over the phone, Bell Grand 2471 or 2048 and he will gladly make an appointment.

Don't tax yourself to death—join a Fraternal Order, where you do not have any Taxes to pay, and where you receive when sick enough to pay your Doctor, fill your prescription, and then leave you some. We are the only Order that gives you these benefits. Investigate and protect yourself.
